Re: Testimonial of English Proficiency

This is to certify that **MUTABARUKA JAPHET** did English modules offered by the University of Rwanda in the academic years **2019 - 2022**. In addition all the subjects through the whole undergraduate program in **BUSINESS INFORMATION TECHNOLOGY** were taught in English. with this background, **MUTABARUKA JAPHET** can pursue postgraduate studies in English.

Any assistance rendered to him, in this respect, will be highly appreciated.
